

Round Table

## **Pharmaceuticals and Medical Devices: the new frontiers of packaging**

May 14th – from 10.30 to 12.30  
Pharmintech – BolognaFiere  
Service Center - Sala Ouverture

Organized by the **Istituto Italiano Imballaggio**

Moderator: **Marco Sachet** – Director Istituto Italiano Imballaggio

The encounter will open with a report, that will illustrate the main new features in the pharmaceutical and medical device sectors  
by Luciana Gramiccioni – Notified Body of the Institute for National Health (ISS)

This will be followed by a debate focussed on packaging used in both sectors.

speakers:

**Mariangela Dondi** - Consobiomed,

**Massimo Cavalieri** - AFI,

**Luciana Gramiccioni** and **Roberta Marcoaldi** - Notified Body of the Institute for National Health (ISS)

**Emanuela Rossignoli** – in the role of expert.

Space will also be given to questions from participants.
